Time for 2's Nursery Program

This drop-off program is intended as a separation class for 2-year-olds.

The curriculum is designed to help children explore their own ideas at the same time they are gaining new skills.

☆ "Time for 2's" will include numerous physical activities to encourage large muscle development in our spacious, well-equipped gymnasium.

☆ Your 2-year-old will explore age-appropriate manipulatives, books, sensory tables, gym time, musical movement and arts & crafts. Through directed play in the program, the child develops socially and his or her capacity for adjustment to the formal experience of Pre-Kindergarten is enhanced.

☆ Teachers implement small-group activities to focus on skill-building, socializing and following instructions.

☆ Children are encouraged to learn through play. Shapes, colors, letters and numbers will be introduced in a classroom setting.

A warm, nurturing and positive school experience is offered in our bright, inviting classroom!

Please be advised that our staff does not change diapers or pull-ups. A phone call will be made during class time if necessary.
